*** Please answer these 5 questions in your Buyer's Request:**

- What type of metal or mineral are you looking for? For Gold, indicate type.
- What is the monthly amount required for a one-year contract?
- What discount on LME are you looking for? We offer competitive rates.
- What is the destination?
- What bank instrument are you offering as a guarantee? (MT 760, MT 799, DLC, SBLC, etc.). Please note restrictions for Gold listed in the Procedure.

Frequently Asked Questions

Q: What's the Minimum Order Quantity?

A: \$1,000,000 in product, negotiable for trial.

Q: What discounts are available?

A: Discounts depend on quantity, CIF, pick-up, etc. Submit a buyer's request with your desired discount for the best offer or counteroffer.

Q: What is the origin of most of the materials?

A: Predominantly Peru, but generally from South America.

Q: What if I want to check stock availability?

A: Submit a buyer's request, and we will check. We can source almost any precious metal at large volumes.

Q: How long does it take to hear back after my buyer's request?

A: First-time buyers may take up to 1 week for due diligence, though we strive for same-day responses.
